#### **5. Old Business:**

- None.

#### **6. New Business:**

- CCHS was contacted by the Norman Citizen's for Racial Justice

(NCRJ) for advice on setting up a Norman People's History Museum, and to discuss the possibility of CCHS holding funds for their group.

- The issue was discussed. Because funding for the Moore-Lindsay House comes from the City, and this group does not appear to be affiliated with the City, it was decided that CCHS would not hold NCRJ funds or be involved with the finances of the project. CCHS will offer advice on starting and running a museum, as well as allow NCRJ to do research in our archive if needed.
- Vernon brings up the issue of Amy's possible hour change, but the issue is TBD.
- Gift Shop/donations discussion.

**7. Motion made to adjourn (10:56).**
