

DEAN S. W. REAVES

This college, which is as old as the university, offers courses leading to the degrees of Bachelor of Arts and Bachelor of Science. A wide choice of work is offered from three groups of subjects: English and foreign languages, mathematics and natural sciences, and the social sciences.

Within this college also are organized the Schools of Home Economics, Journalism, and Social Service, each leading to special degree or certificate, and each under the supervision of a Director.
