The restroom, of course, will have walls. Central heat & air will be installed. The barn doors on the inside will have a wall built in front of it. A bid will be put out and the work will begin this spring.

- IV.** Treasurers Report: \$950 was spent on Christmas. Erin paid the first two musicians with her own money. Barbara suggested that we try to have Christmas music played during the open house. Our utilities expense goes down August-December. The financial report was approved and seconded.
- V.** Curator's Report: There were a total of 187 visitors during December. Christmas decorations will be coming down this Saturday. Erin stated she needed new storage boxes.

The Big Event is coming up this spring and we need just 5-6 volunteers and not 30 people. We will try to get them to help move the furniture to the POD.

If the House is being used for an event it should be \$150.00 for two hours and each additional hour \$50.00. There is a \$100 deposit. Motion made and approved.

**VI.** Old Business. None.

**VII.** New Business. a.) Charging for archive pictures. Sue wants to think about the cost, so for right now we need to stop. Motion made and approved.

b.) 89er Day parade: We should have a raffle \$10/family. We need to rent a carriage and have some veterans ride in the parade. Ted will try to get a sponsor. A motion was made and approved.

c) Erin knows someone from Chickasha who would like to have a garage sale at the House and he will run it and if possible we could acquire items for it. Still under discussion.

**VIII.** A motion was called and approved that the meeting adjourned at 6:51 p.m.
